We dedicate this book to you,

Our Lady of Messmer . . .

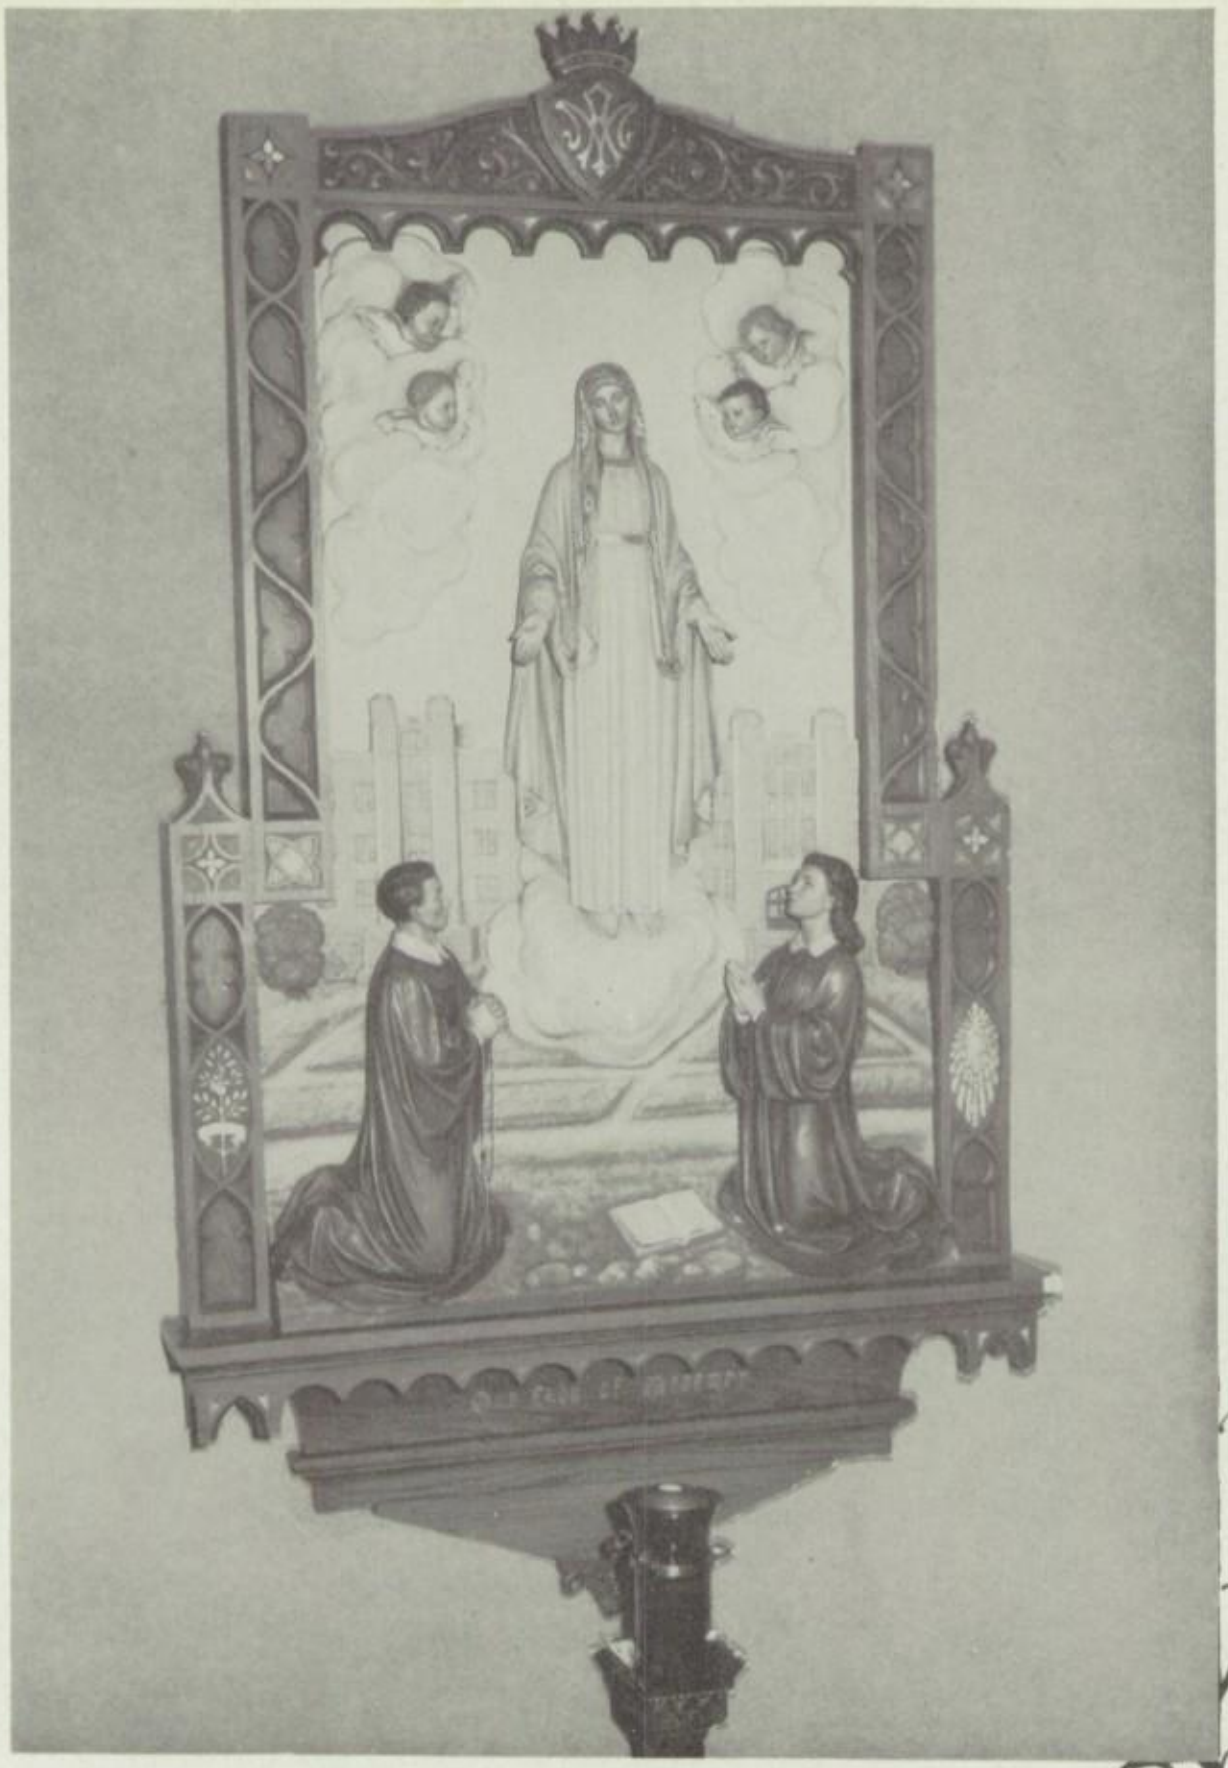
In the past, you have always directed us so deftly that we hardly knew we were being shown the way. You have tried to protect us from our constant, human erring.

At the present time, you are accomplishing wonders with us because there is so much in us that needs improving. You guide us in leading ideal Christian lives and protect us from the evil of the world. You attempt to make us realize the importance of prayer and sacrifice.

In the future, we know you will continue to protect and guide us — that we may attain our eternal goal. You will help us live truly Christian lives. With your loving care, we can obtain everlasting happiness by taking the right road. Keep us always under your mantle so that we may find that road — the road to heaven.

• • •

At the dedication of our St. Thomas More Chapel on the eve of Memorial Day, 1946, we felt that it would not be complete until we had in it something to honor Our Lady. After considering several ideas, a composite of pictures was sent to Europe for completion.



The placque shows the school in the background, with angels to watch over us. Two students were chosen to represent the family of Messmer. *Virtus et scientia* — the motto of our school — is quite evident in the rosary in the boy's hands and the book at the girl's feet. The picture of Our Lady, drawn by a Messmerite during the war years for the honor roll which listed those who were serving in the armed forces, seemed destined for the placque of Our Lady of Messmer.

Maybe the reason our shrine is so precious is the knowledge that there is not another like it in the world.

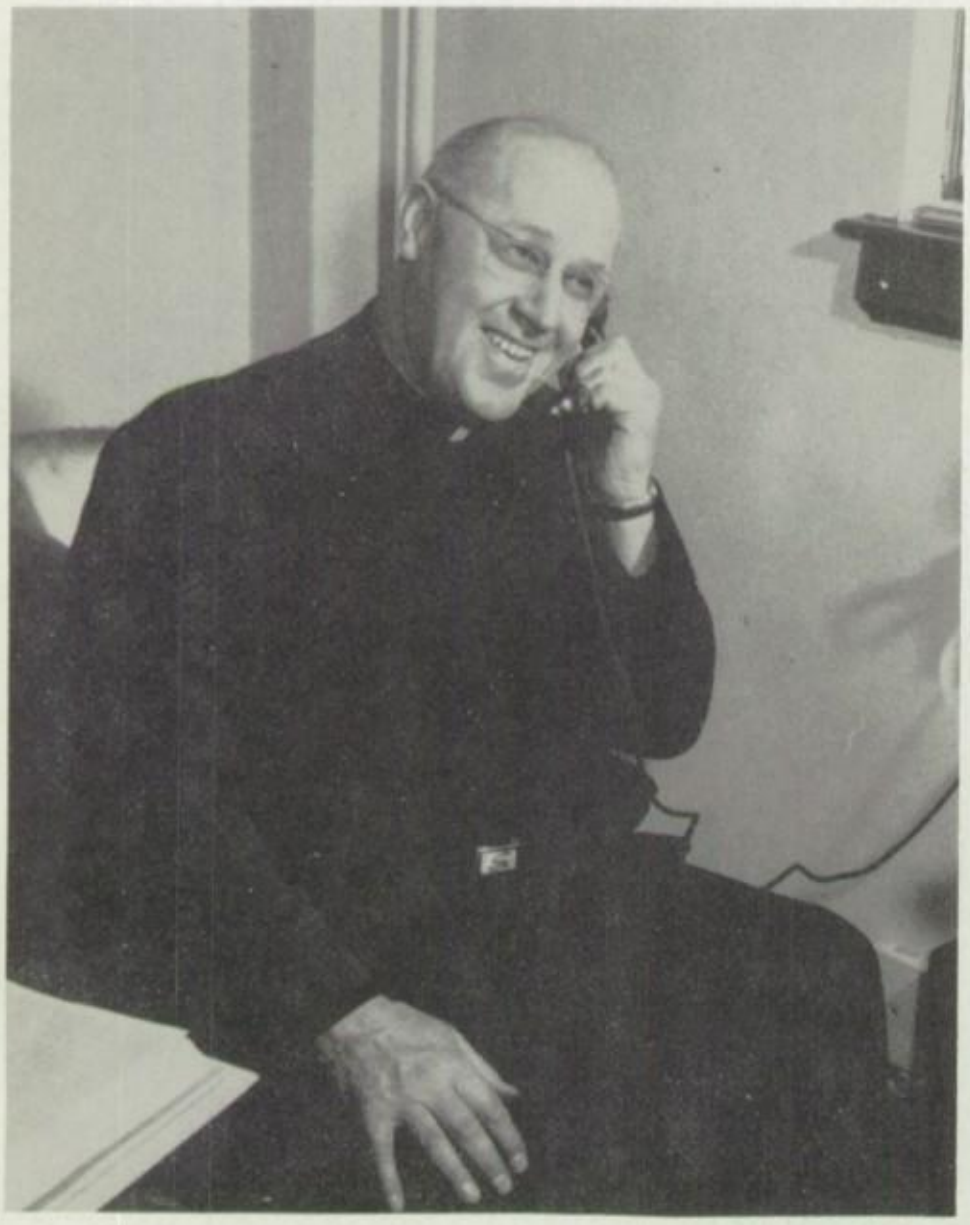
REV. LOUIS E. RIEDEL

Principal, Counselor

Father Riedel is a man of infinite patience, charity and understanding. His time has always been our time. With his ear attuned to our problems and his finger on the pulse of all school activities, he is truly the father of Messmer's family. Father Riedel's duties also include the direction of SUMA's extensive and varied activities. Despite the full program that both of these duties create, Father's great love of young people keeps him very busy but very happy.



REV. JOSEPH R. STEHLING

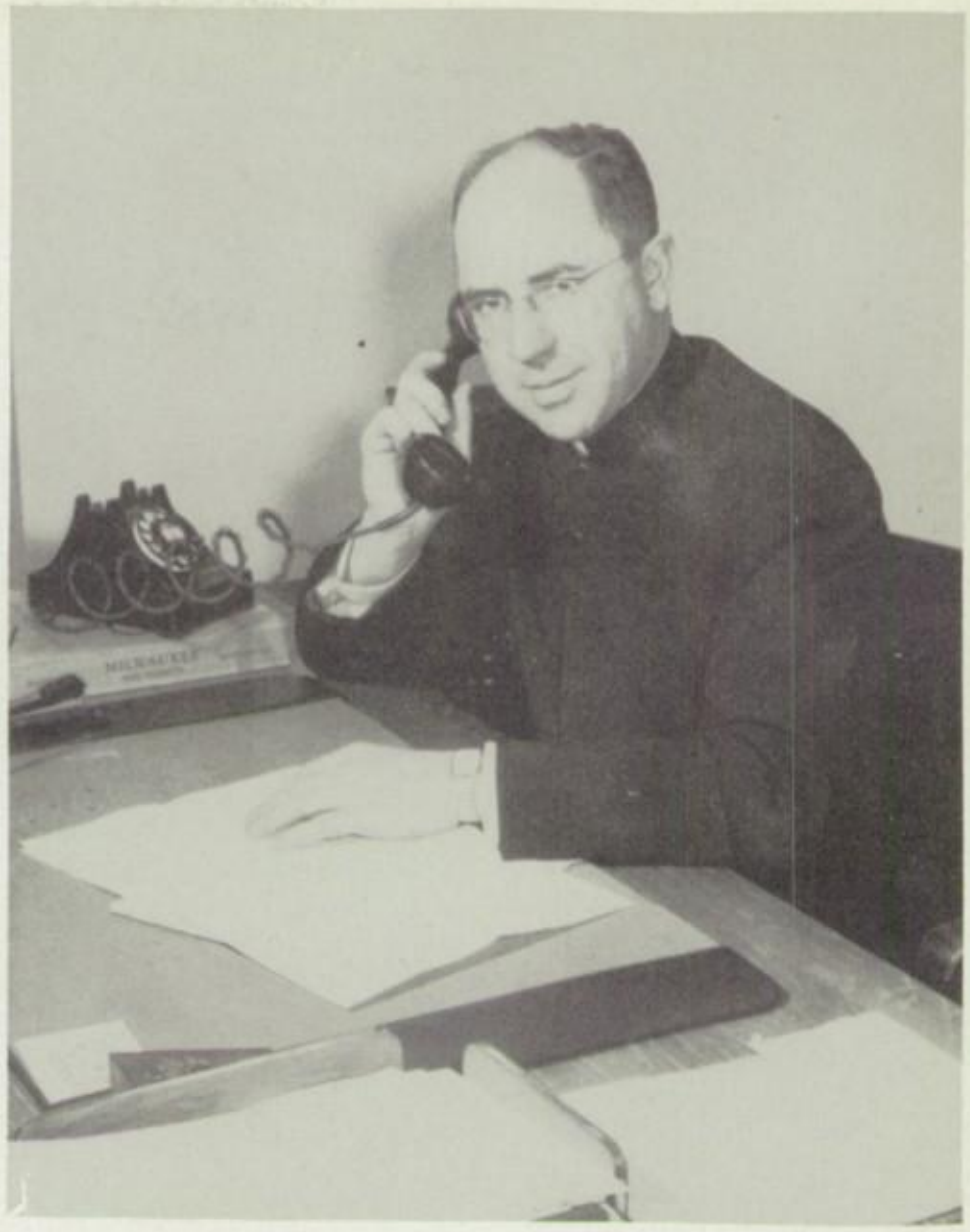
Financial Administrator

Another year has gone by, adding to Father Stehling's successful career at Messmer. He is the kind of man who is naturally well liked and respected by all Messmerites. Father is the director of a very important organization in the school — the Dad's Club — and a booster of all school activities as well as a personal backer for each of us. We will remember "Father Joe" as a capable financial administrator and a trusted friend.

REV. VERNON J. KUEHN

Director of Athletics, Teacher, Counselor

Every student knows that he has a true friend in Father Kuehn, who has many sticks in the fire, and all of them are for the good of youth. With his hand on the helm of Catholic Action, in his capacity as Ecclesiastical Assistant to Young Christian Students, Father has steered that group to greater activity. Ask the seniors what they like best about Father Kuehn, and you will probably be told, "Naturally, I like his religion classes — there's never a dull moment!"



REV. CARROLL A. GUNTHER

Director of Religion, Teacher, Counselor

Always ready and waiting to help us is Father Gunther. Besides the fact that it is his job to counsel us, he does it because he enjoys helping us solve our difficulties so that we may be happy. No problem is ever too big or too small for his attention. With his brilliant smile, he shows us that life is not as hard as some of us make it; the secret is in the way we look at it. By the way, did you know that Father Gunther is also spiritual director of the Acolytes and Catholic Students' Mission Crusade?

Lay Faculty

MR. HUBERT MAIKOWSKI

Head Coach, Teacher of Co-Homemaking

As most of us know, Hub is an alumnus of Messmer. During his years at Messmer, Hub has always brought forth hard-working athletes and has endeavored to keep the old family spirit aglow. We congratulate him on his fine job as head coach and for earning much more than the due respect of the student body.

MISS DOLORES HANSER

Girls' Athletic Director

We can thank Miss Hanser for giving the girls that all-important guidance in physical education. For the past three years Miss Hanser has had charge of the gym, swim, and health classes. Besides these, Miss Hanser occupies her time training the cheerleaders, preparing a water pageant, and organizing various girls' teams.

MR. NORMAN DOMACH

Assistant Coach

Norm arrived as one of the faculty in the fall of 1951. A graduate of Messmer, he attended the University of San Francisco and was graduated from St. Norbert's College in De Pere. Norm is on the alert that the boys receive their physical education, and we certainly wish him the best of luck for his future plans.

MR. KENNETH WUERL

Our band and orchestra director for two years, Mr. Wuerl has brought into our halls music we will always remember. It was good, too, to see the band at so many of the games this year.

MR. GLENN J. SOMMERS

Another alumnus of Messmer, after being graduated from Stout Institute, came back in September as teacher of mechanical and architectural drawing. Mr. Sommers spent one semester here but then the United States Army decided they wanted him too. So, goodbye and God bless you, Mr. Sommers.

MISS VIVIAN KAWATZKY

The second semester also found a new teacher in the junior English department. Miss Kawatzky is a graduate of Mount Mary College.

MR. EARL GESSERT

We were lucky at the beginning of the second semester to have Mr. Gessert take over in Room 2. He carried on the year's work in mechanical and architectural drawing.

Messmer's Silver Anniversary

Jubilee Week was celebrated from September 24 to September 30, 1951. The spiritual highlight of the week was the Solemn Pontifical High Mass, the first of its kind at Messmer. The Archbishop was assisted by the school's former and present principals. Monsignor Meyer preached the sermon. At the end of Mass His Excellency bestowed the Papal Blessing on all faculty, students, and alumni. No one will ever forget the great joy of this solemn occasion.

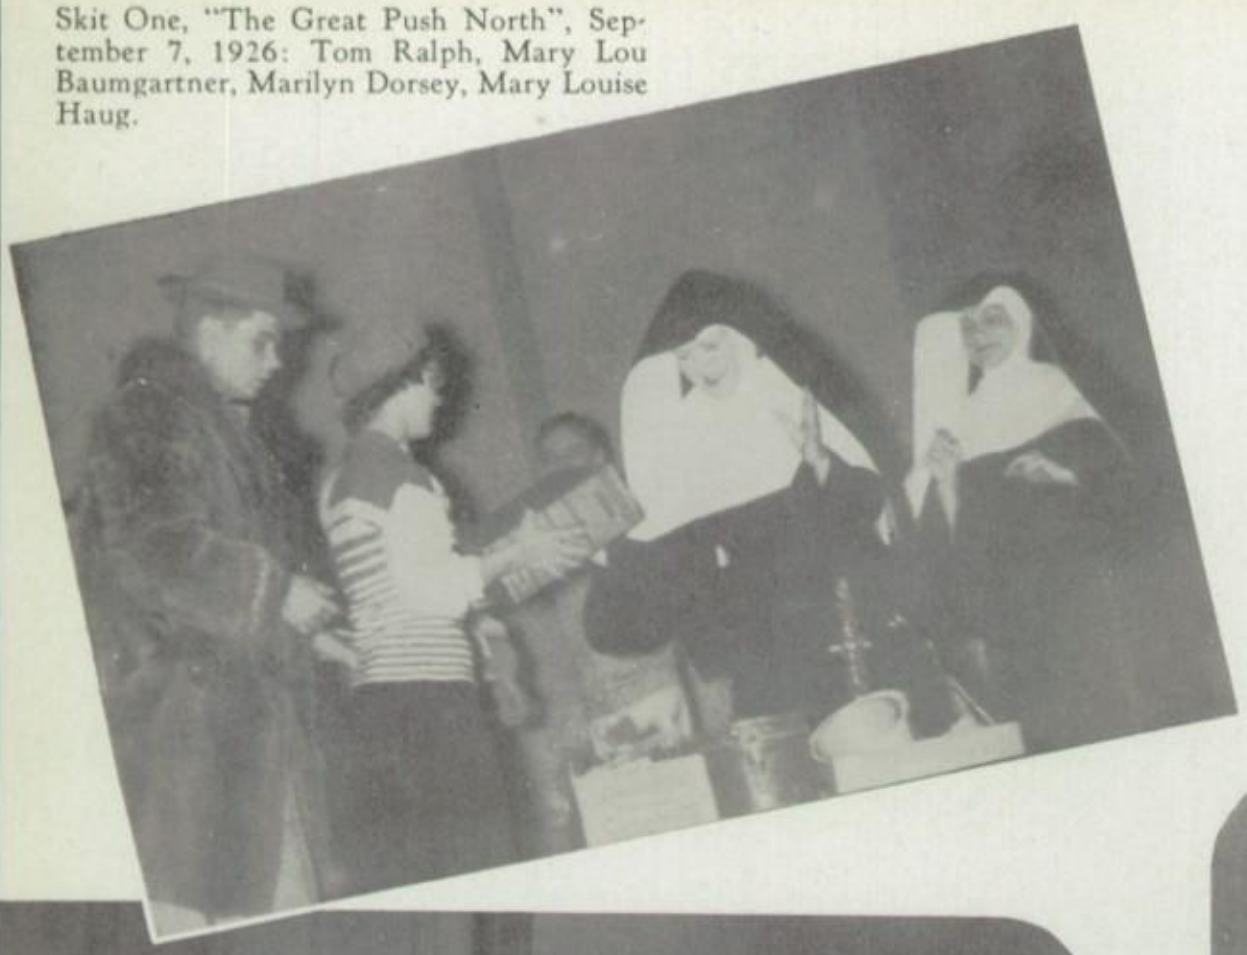
"Sing a Song of Silver"

Concluding a week of festivities, friends and alumni of Messmer saw what our own talent could produce. This historical musical, written and directed by James Spitz, '45, consisted of four skits, each depicting a phase of Messmer's history. Skit Three, not pictured here, showed a Brother of Mary in a classroom scene.



Skit One, "The Great Push North", September 7, 1926: Tom Ralph, Mary Lou Baumgartner, Marilyn Dorsey, Mary Louise Haug.

Skit Two, "Assembly Artists": Marjorie Blau as *Madame Butterfly;* Dave Mason and John Merz, Comedy Duo.

Elda Giuliani, vocal soloist, with dance group

Skit One: Roger Mohr, Nancy Belling, and Dorothy Metcalf in a revival of the Charleston!

Skit Four, "Ballad of Messmer": Baritone soloist Frank Tarantino, with a supporting chorus of alumni and present students.

ACTIVITIES

OFFICERS. Father Riedel, M. Fitzpatrick (*prefect*), M. Diehl, J. Flander, B. Draczka, W. Ludorf.

Sodality

As one of the major organizations in the school, the Sodality has given us a deeper appreciation of our Blessed Mother. Besides bringing us closer to Christ through Mary, the Sodality sponsored a number of social, religious, and educational events, among which were the Lourdes Ball, the Wisconsin Catholic Action Convention, the Living Rosary, May Crowning, and Career Day. Sister Mary Ernestine was the faithful moderator, with Father Riedel as director of SUMA.

Guest speaker Father H. W. Daly, S.J., with B. Draczka, T. Ripple, M. Fitzpatrick.

CAREER DAY SPEAKERS

OFFICERS: Janet Blaubach, *president;* Robert Draeger, *treasurer;* Father Gunther, Judith Osterhaus, *secretary;* Ronald Laux, *vice-president.*

The Catholic Students' Mission Crusade

Could you imagine what the missions would do without such organizations as our Catholic Students' Mission Crusade? Our contributions seemed so small but they really were appreciated. Looking back on their several movie assemblies and their donations to various foreign and home mission groups, the Catholic Charities Drive, and the Red Cross, we all know they have done a good job. Sister Mary Crescence has worked hard to bring this organization to its present high standing.

Some of your mission money went to Brother Gregory, M.S.SS.T., who is studying for the priesthood in the seminary of the Missionary Society of the Blessed Trinity in Silver Springs, Maryland.

Dave Riedel and Tom Conlin—typical of the servers at the 7:50 Mass.

Acolytes

Have you ever wondered what it would be like to be an acolyte? Any server will tell you that it is one of the greatest thrills in the world. The acolytes have a privilege given to a small number of boys who rank high in God's graces at Holy Mass. Messmer's acolytes are under the direction of Father Gunther.

Fidelis Forensic Club

Fortified with talent and capacity for hard work, the Fidelis Forensic Club achieved more than ordinary success in its contests this year.

Competition reaching an extraordinary high, the club rated four A's (the greatest number given any school), nine B's, and one C in the final bout of the Wisconsin High School Forensic Association at Madison. A's were awarded to Carol Gmitruk, Virginia Josten, Mary Ann Siderits, and Catherine Ziegler.

The club also participated in the mock United Nations assembly at Marquette School of Law. Messmerites cited for unusual discussional ability were Lawrence Freeman and William Goldammer.

Latin Club

You've all heard the motto of our school, *virtus et scientia,* but do you know what it means? Ask any of the Latin scholars. They could tell you! Discussions on ancient Rome, movies, and parties kept the meetings varied and interesting. The big feature of the club's year was their annual bus tour on Ascension Thursday.

M. Leygraf, R. Draeger, D. Stolper, J. Neher.

Pan American Club

The Spanish Club is a little different than most language clubs. It goes under the title of Pan American because it studies the activities and customs of all the Pan American countries. They have had several parties in South American fashion. This club is just a small but active one in connection with the CLIA. Sister Verola is the moderator of this group.

Standing: M. Hanley, L. Harbrecht, J. Richardson, R. Laux. *Seated:* R. Cordes, J. Truog, J. Flander, P. Bower.

French Club

The French Club claims that they have had a rather inactive year, but actually, we discovered that they have various discussions on the customs of France and articles about France. They have looked into French plays and short stories. The year's program also included movies and a few parties. If this is inactivity, what do they do when they aren't doing anything? Sister Immanuel is the director of the French Club.

R. Sonnenshein, B. Karbowski, A. Polyak, J. Conlin.

The Braille Club

For years the Braille Club has helped the blind to see some light with their finger tips. Just in case you didn't know, braille is the written language of the blind and each letter must be made by hand. Long hours of tedious work have been donated by these girls to make text books, prayer books, greeting cards, and other reading material for the blind.

As time goes by, we hope the Braille Club will expand so that they can do more good than ever for the blind.

Library Club

The library at Messmer is a very fine one, with a wide selection of books and magazines on almost every subject you can think of. Members of this club perform many little duties to promote good library service. Many a future librarian has received his first training under the excellent guidance of Sister Mary Ildephonse.

Camera Club

Film, flashbulbs, camera, dark rooms, developers—all play an important role in the lives of the members of the Camera Club. Students learn how to take and develop pictures and how to take care of a camera. Our school publications depend much on the services of this organization. Sister Mary Verena and Sister Mary Petrine have done a fine job in helping this group.

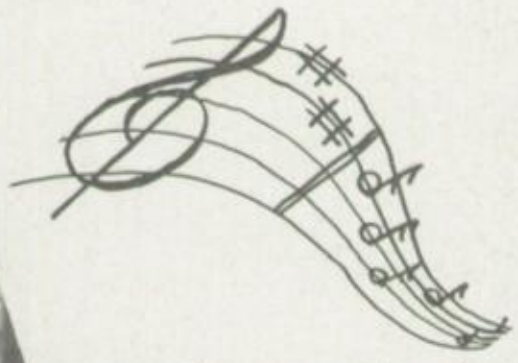
After the last curtain had rung down on *Song at the Scaffold*, even Father Riedel (shown here at the piano) joined in the fun of a well-deserved cast party.



MHS publications staffs took time out for some Christmas cheer. *Foursquare* headquarters had a beautiful tree, while the *Capitol* editors helped carol at St. Mary's Convent, Elm Grove.

Beautifully gowned for a highlight of the year, Mary Fitzpatrick placed the crown on the Virgin Mary's head. Thus on May first we consecrated ourselves again to God's Mother and ours.

In April, students of Mount Mary College presented the choric drama *Hiawatha* in our auditorium. Later in the summer they will enact it in Verona, Italy.

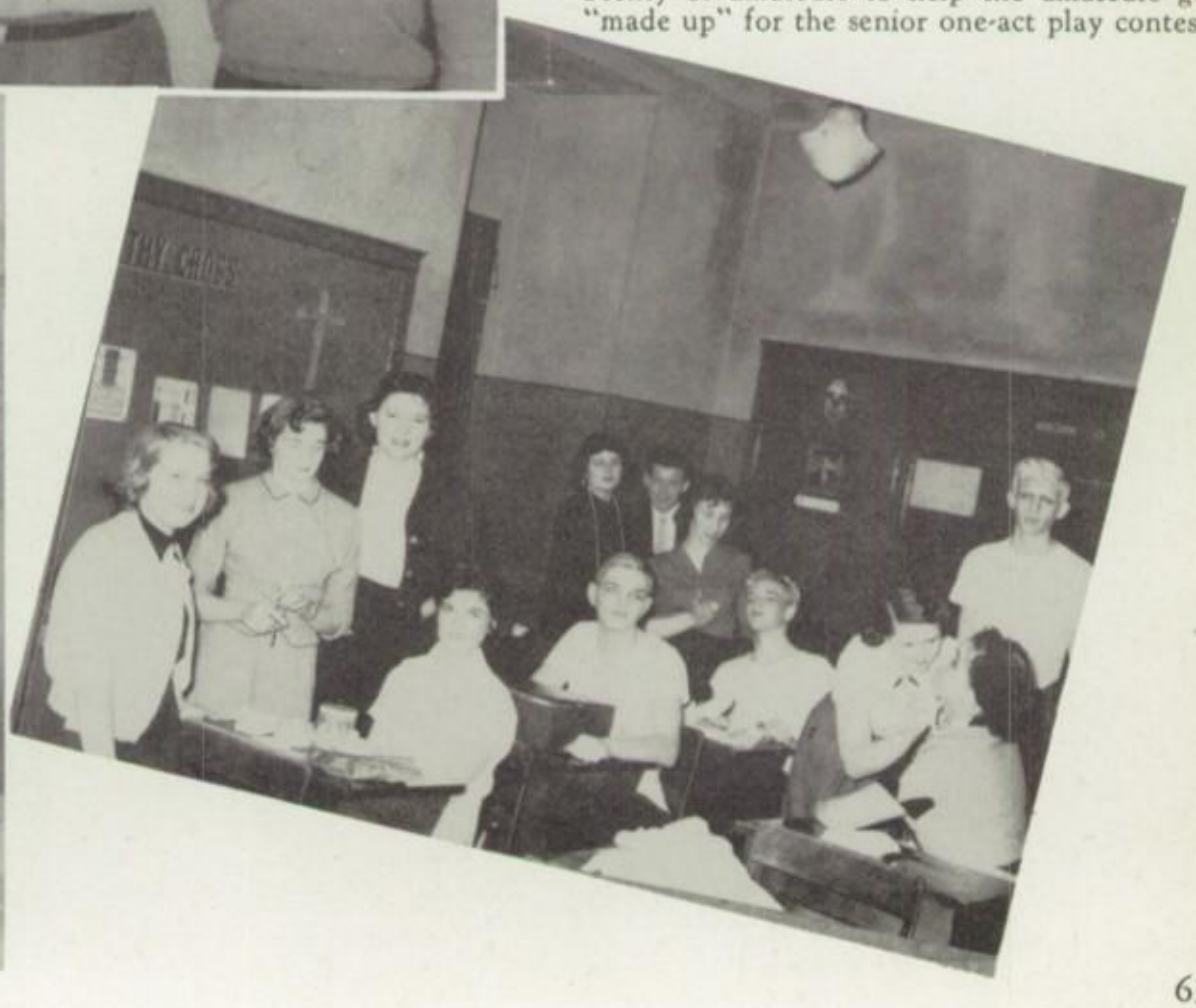
Prom King and Queen — Jim Herget and Rosemary Heil.

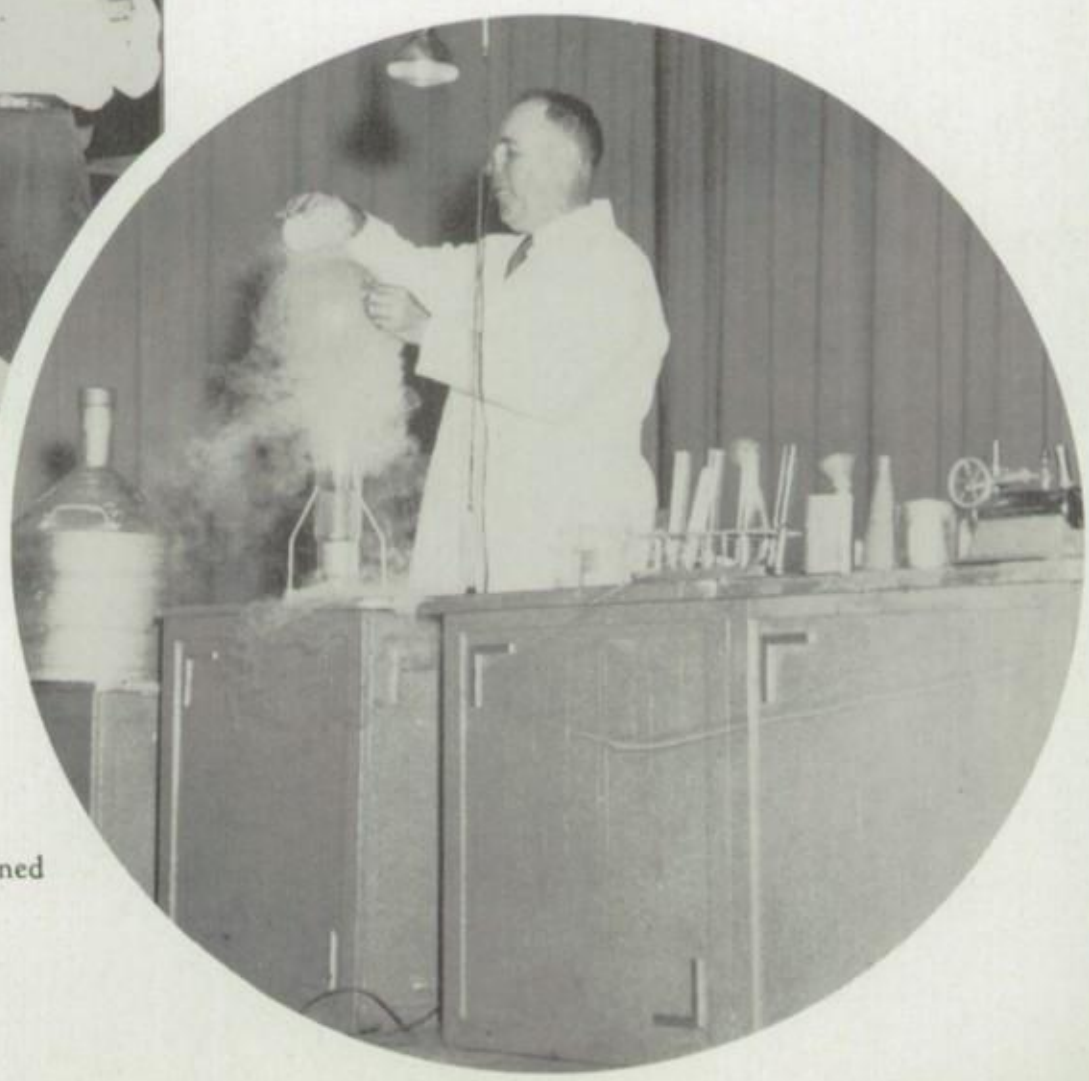
Plenty of amateurs to help the amateurs get "made up" for the senior one-act play contest.



The Student Council sponsored a dance in February.

And finally, every piece of steel and wood was in place, and another Messmer dream had come true, our new BLEACHERS!

Save your sympathy! Some of the boys just "posed" when our new bleachers arrived at the gym door.



Mr. John Sloan, scientist-lecturer, entertained us by freezing a balloon with liquid air.

Band

Music! Music! Music! Yes, we were listening to the band in the auditorium during the 10:50 period. Much hard work went into their preparation for music at games, assemblies, and the spring concert. Mr. Wuerl entered the group in the Wisconsin State Music Association and played in a district festival in May. Dan Stolper's performance on the oboe merited him a trip to the finals in Madison.

Chorus

The chorus started out the year by singing for the Pontifical High Mass on September 26. The winter months found them carolling in various hospitals and singing in concert on March 14. On April 23, thirty-five choristers participated in the Catholic Music Festival. About seventy, comprising both a mixed chorus and a boys' glee club, were in a district tournament of the Wisconsin School Music Association on May 17.

Foursquare

Another successful year has been added to the annals of the *Foursquare*. The monthly copy of the school paper cost the staff long hours of writing and rewriting articles, making deadlines, and trying to comply with the students' wishes. Maintenance Men

Did it ever occur to you that Messmer would be in a sorry plight without maintenance men? There would be no one to sweep, scrub, and wax the floors, no one to wait at the door during the wet, wintry months to keep the stairs from getting slippery, no one to shovel the snow, no one to fix broken shades and chairs. See how many problems are involved in housing our big family?

Mr. James Vogel

Cooks

The cooks have faithfully made our noon meals since September. Knowing what our appetites are like by noon, they prepare the kind of food we like, the way we like it. The cooks deserve a good deal of appreciation for their unfailing service. Wouldn't you like to know how many tons of food we consume in a year?

Football

A change in practice fields from good old Potter's Field to the spacious, green, velvet-lawned Lincoln Park did not brighten up the Messmer's 1951 football picture very much. The championship-hungry Bishops were determined at the outset of the season to add a title to their football fortunes; but were sidetracked once again and ended with a season record of 1 Win, 1 Tie, and 5 Defeats.

Hampered by numerous pre-season injuries to key players, and with but six returning lettermen on hand, Coach Hub Maikowski and his assistant, Norm Domach, put on the gridiron a well-organized and spirited eleven despite its very limited victories.

Seven Blue and White gridders received all-conference rating for their individual efforts from the *Milwaukee Sentinel, Milwaukee Journal,* and *Catholic Herald Citizen.* Backs: John Cummings, Ken Adisek, and Tom Pokwinski; Guards: Gary Coates and Clary Ostrowski; End: Ken Bushek; and Center: Jim Herget, received honors for their consistent hard work throughout the '51 pigskin season.

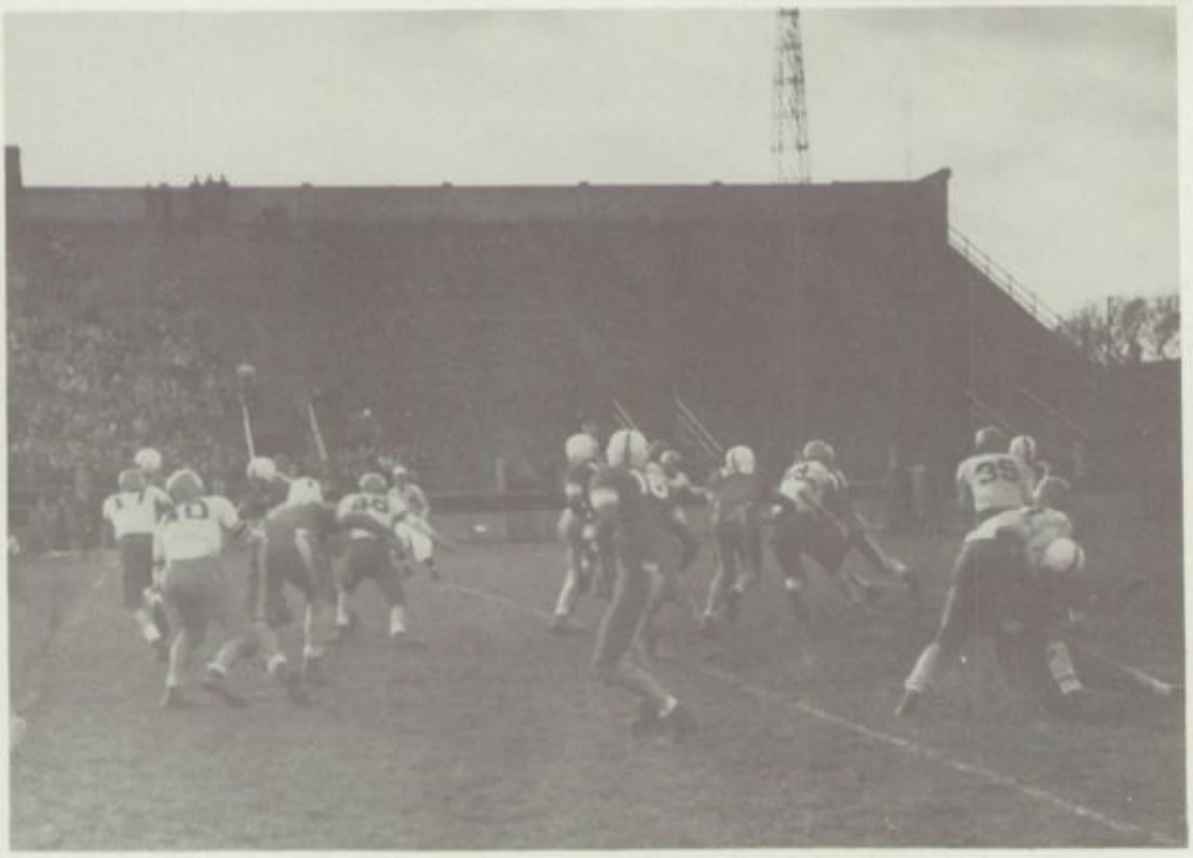
The Junior Hilltoppers from Marquette High proved the class of the league for the second consecutive year and waltzed into the championship.

The lone victory was scored against Notre Dame in the often-postponed homecoming encounter. St. Catherine of Racine played the home gridders to a tie.

These two bright spots in a rather dismal season along with a heartbreaking loss to second-place Don Bosco closed a quarter-century anniversary season for Messmer's Blue and White Bishops.

Nowicki was on his way, but Bugs just couldn't resist getting this one.

Hey ! ! ! This play came over the wrong side!



The "Diamond" breaking away.

We had an extra Man in our line that day.

Basketball

The tremendous scoring ability of Messmer High's hoopsters was not effective enough to bring a Catholic Conference championship to the trophy case of our school. A series of heart-breakers at the conclusion of the '51-'52 season found a well-balanced Don Bosco quintet on top of the heap.

After winning four pre-season tilts and compiling an average of 60 points, the team found itself winning and losing alternately for the next three weeks. With the loss of Joe Poehlmann, Messmer's towering center, the future of the season was in doubt.

At the outset of the second round of play, a previous on-off win ability was put to rout. The next four games were impressive wins in which Messmer proved to be a title contender. However, on February 3, a strong St. Bonaventure team felled the Bishops from their position as the league leaders. The next two games were lost to inspired teams, namely Pius and Cathedral, but the Messmer team figured as a logical contender 'til the final gun had sounded.

Finishing among the league's top scorers were Guards Don Bugalski and Bob Neja. They were further honored for the sportsmanship and ability by being rewarded with all-conference honors.

Seven players have retired from high-school basketball with the close of this season, but under the expert coaching of Hub Maikowski, the coming basketball season will prove to be outstanding in Messmer's sports story.

Baseball

Forty-six baseball candidates answered the call for the opening of Messmer's season. After a week of workouts, the squad was trimmed to fifteen with these survivors representing the Bishops' title boxes in the first official Catholic Conference League. Seven schools, namely Messmer, Don Bosco, Pius, Notre Dame, St. Catherine, St. Bonaventure, and Catholic Memorial formed the conference.

Defensive baseball was the Blue and White's major weapon with good fielding and strong throwing featuring in the team's victories.

The infield was above the rest of the conference with Jim Haines—third base, Captain Bob Neja—short stop, Tom Gorzek—second base, and Gary Hiller at first base. Outfielders Rollie Axt, Ed Lang, Dick Foster, and John Aehl, had very few equals when it came for speed in covering any long balls hit their way.

Led by veteran pitchers and catchers, the opponents found the going rugged. Don Swetzig, John Cummings, John Aehl, and Bill Juhay handled the mound duties, with Pepperpot Ron Mrozinski and William Hanrahan working behind the plate.

Leading strikers, Gary Hiller, Bob Neja, Jim Haines, and Rollie Axt brought the first Catholic Conference season to a successful ending.

Boxing

The year 1952 proved to contain varied talent for Messmer's 17th annual boxing show. The fistic events were once more sponsored by the Dad's Club, who presented three cards with a total of 45 bouts. Nine novice and two open divisions highlighted the competition for some 51 participants.

Golf

The drivers, niblicks, and putters were put into action again for the thirty-two future Ben Hogans, as the Messmer boys got under way.

Seeded entrees Jim Kozlowski and Ed Lang led the big parade to the city and country golf courses on April 25. The sand traps and bunkers were minor obstacles as the smooth-swinging aspirants went out for the first place gold medal and runnerup certificate for their respective trophy cases.

Two senior par-shooters, Joe Kalivoda and Ed Lang, shown to the right, are given expert golf tips and reducing information — on scores — by their caddy, Frank (Tubby) Glieber.

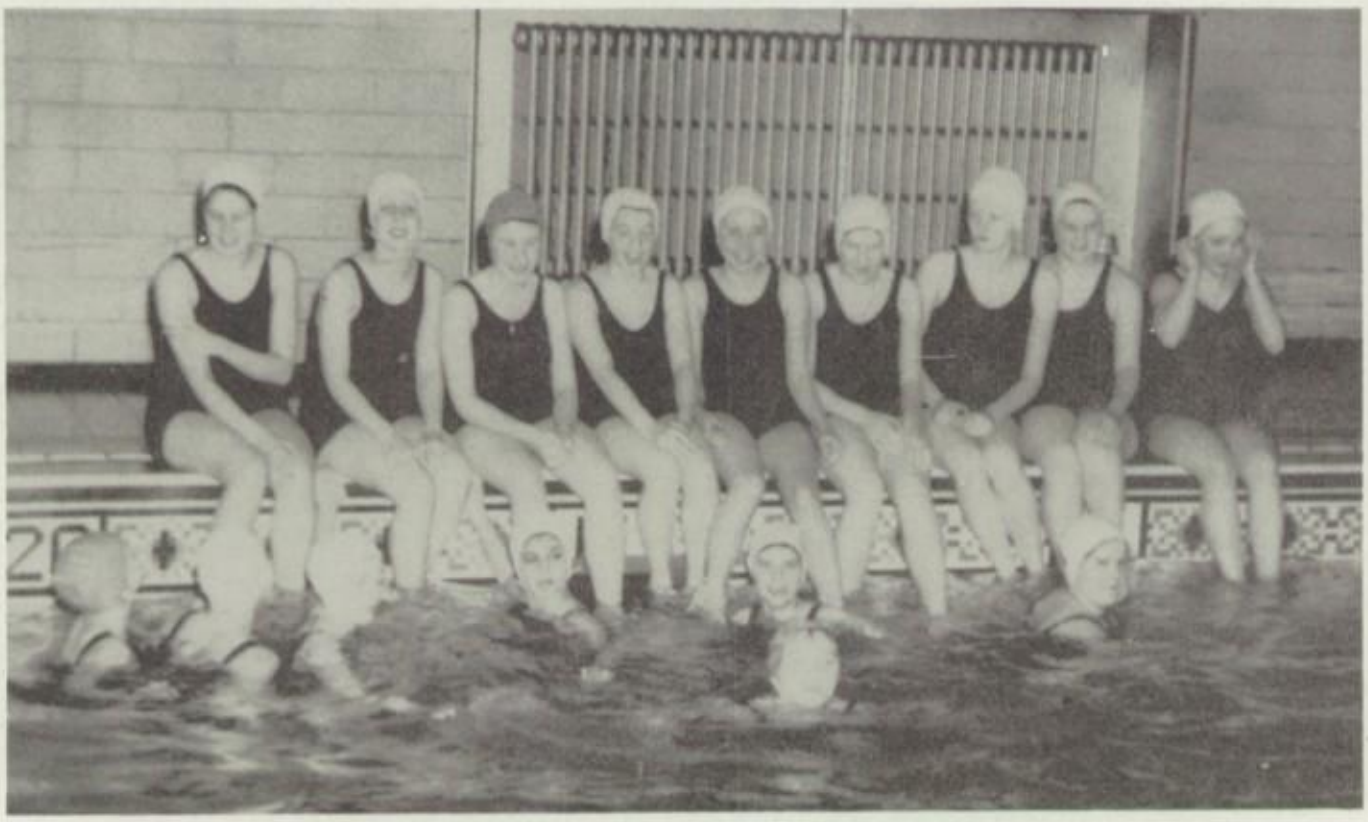
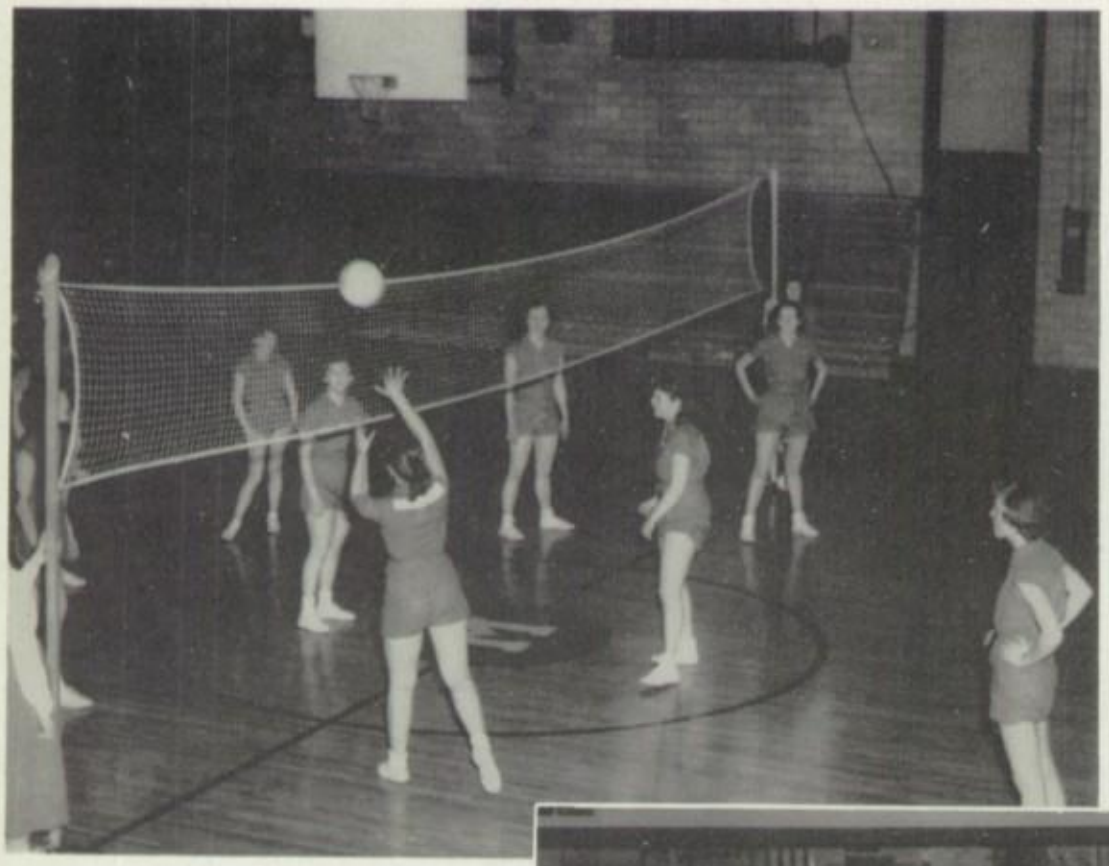
Hitting the ping pong ball around came easy to Noel Nevin. Speed and control helped her to walk away with the trophy this year.

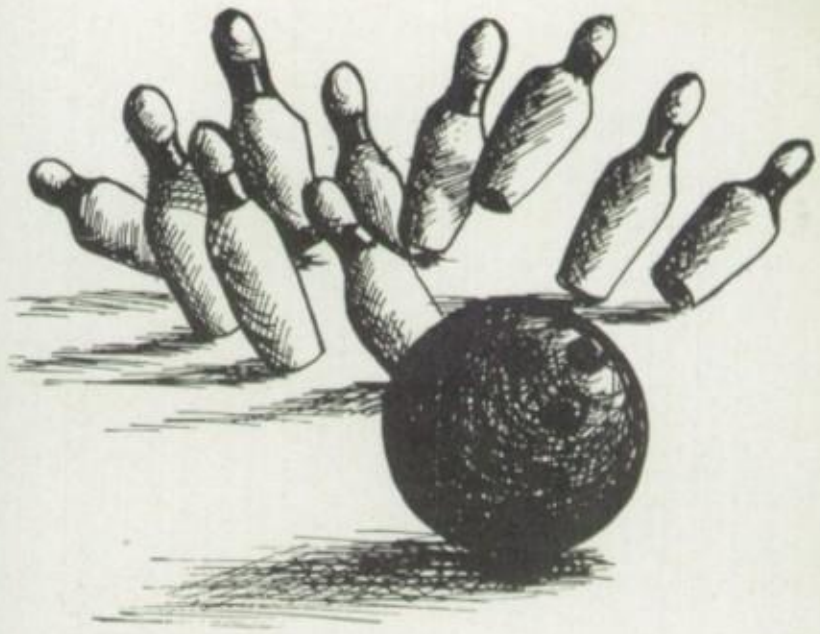
There's nothing like calisthenics to develop muscles. That "V" meant real victory for them and other similar classes.



The girls squealed with shyness as the photographers snapped this picture of some of them taking a dip in our pool's cool waters. Looks good doesn't it!



Come on girls, let's get that ball over the net!



A ball thrown by Lucille Ertl, a senior team captain, is almost bound to be a strike. Of course, all the girls were good.

Running + stretching + plenty of fun = a basketball game.
